

### Apertura in Munich 2019

**We are thrilled to invite you in our Room  
F204 - Atrium 4 - 2nd floor.**

It has been 8 years now that we are exhibiting at the Munich High End show. And it is always an enjoyable experience

For the 2nd year, we will be sharing our room with our friends from CH Precision and Grand Prix Audio.

The Apertura Enigma mkII will be playing with CH Precision electronics and Grand Prix Audio turntable.

**Sensa**

We will also have the pleasure to present you in World Premiere our 2 new speakers:

**Swing**

**You are very welcome in our room  
and enjoy  
a New Apertura Experience!**
